## **Q** Mappa

Amigos Caffè Commercial Expansion Knows No Borders Experience has

taken us very far and has enabled us to establish business relationships all over Ital y and with the countries of Northern, Central and Eastern Europe. Today we can sa y that we have a thorough knowledge of tastes and needs of our customers in Italy and abroad, for whom we have created some of our best coffee blends. Toll Manuf acturing Do you have a sales plan and would like to be backed by an established co mpany with a long-standing experience in production? At Amigos you will find preci ous allies. Our selection and creation of new coffee blends are increasingly called f or by all those who intend to market their own coffee brands with the backing of a supplier with the necessary knowledge and experience to offer high quality product s. Under contract, Amigos deals with the first stage of coffee production, from the s election of raw materials to the requested processing. Our Company's Outlet Our h ome is your home: we are open from Monday to Friday from 8 a.m. to 1 p.m. and fr om 3 p.m. to 6 p.m. to welcome you and assist you with your direct purchase of coff ee. Our company's outlet has a convenient car park, it's easily accessible by those who work in the Trieste and Muggia industrial area and is always highly valued by t hose who enjoy a rich and stress-free shopping experience. For further informatio n about our company's outlet please call +39 040 9235052.

## Descrizione

The first premises of Amigos Caffè consisted of a small warehouse of 40 mq in the suburb s of Trieste. Severino Mingardi, his wife Mari a and an old 30 kg roasting machine set up a Project which today makes us proud and tha t extends beyond national borders all over E urope, producing and exporting high quality Italian coffee.
